## OBJECTIVE

"I am a passionate and creative UI/UX designer looking for an opportunity to grow and learn in a professional environment. I have skills in wireframing, prototyping, and user research

## PROFESSIONAL EXPERIENCE

---

### ▪ National Telecommunication Institute – NTI Ui&Ux

July 2025 - August 2025, Remote

- Designed responsive and modern user interfaces for mobile and web apps using Figma, focusing on usability and clean visual design.
- Conducted user research, interviews, and persona creation to ensure user-centered design solutions and intuitive user flows.
- Completed end-to-end UI/UX projects including branding, wireframing, prototyping, and creating presentation decks using Canva and other tools.

## EDUCATION

---

**BIS University**  
**Bachelor, Computer Science and Business**  
GPA - 3.6

July , 2024 – JuLY,2028

## CERTIFICATIONS

---

- AI and Data Science, Digital Egypt Pioneers Initiative – DEPI

## PROJECTS

---

### - UI/UX Designer – Animal Safety App

August 2025 – Present

- Designed a mobile app to report and protect animals using user-centered design.
- Conducted user interviews, created personas, user flows, and interactive wireframes on Figma.
- Focused on intuitive UX and clear UI for reporting, adopting, and viewing animal profiles.

### UI/UX Designer – Delivery App

June 2025 – July 2025

- Developed a complete delivery application interface for ordering and tracking food/orders.
- Designed user journeys, wireframes, and high-fidelity UI screens using Figma.
- Prioritized smooth navigation and simple, modern interface for better user engagement.
